Unquestionably, this is actually the very best job by any publisher. It really is basic but unexpected situations within the 50 % from the book. I discovered this book from my dad and i advised this publication to discover.

MOHAMMED: THE PROPHET OF ISLAM (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Just as the character of Jesus is stamped upon the religion which originated in His Person, so is the character of Mohammed impressed upon the system which he, with marvellous ingenuity, founded. The practical influence of Islam upon individual lives produces results that reflect unmistakably the character of its founder, and a careful study of the tenets of the system in relation to its history enable the student to estimate the real worth of the man. As the Apostle of God, Mohammed is the ideal of every true Moslem. His life is the standard by which the lives of his followers are tested, although he himself confesses that his life was not holy. In the Koran, and the earlier traditions, he is pictured as being in no way better than his fellows, and as weak and liable to error as the poorest of his contemporaries. Yet later tradition minimises his faults and weakness, and surrounds his person with a halo of glory that makes him appear sinless and almost divine. All the doubtful incidents of his life are either eliminated and ignored, or assiduously supported and defended by his pious, misguided followers.
