Reviews

An extremely wonderful ebook with lucid and perfect explanations. I was able to comprehend almost everything using this composed e publication. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Kimberly Carroll)

RISE OF THE HORDE

Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. When 16-year-old Xander's older brother, Moto, left him at Vandenberg Airforce Base he only had one request--don't leave, no matter what. But there was no way he could have known that zombies would gather in groups big enough to knock down walls, and take out entire buildings full of people. That was before the rise of the horde! Now Xander is on the run, fleeing south to Port Hueneme to locate his brother, with nothing but his martial arts training and the katana blade left to him. Along the way, he'll have to fight for his life against other survivors, neo-Nazi's, outlaw bikers, gang bangers, cannibals, cult members, and a seemingly endless sea of flesh hungry zombies. But Xander is far from alone. Traveling with him are Benji, a 12 year old comic book geek, and Felicity Jane, a childhood celebrity with wild mood swings. Will they make it in one piece to the safe zone--or will they become the next meal for a hungry horde of wild zombies? **Zombie Attack!** Rise of the Horde is filled with pulse-pounding, undead action, from the very first chapter until the bitter end. From rock stars and celebrities, to false prophets and miracle workers, this audiobook has it all! The story takes off like a bullet and doesn't slow down until the very last sentence.
