There are many different practices out there, but not every single one of them have a full bearing on your health. But there is a type of health practice that is out there called Ayurveda, and its a Hindu holistic medicine thats one of the oldest in the world. Its a natural means of healing the body, and its a way to really help you cure and improve yourself through natural means. BOOK #2 PREVIEW Natural remedies have been around for eons. They are what people used before modern medicine, and they are what many still use to this day in order to reduce and cure illnesses and problems that one might have. These remedies can work wonders, and for many people, they are what they go to.Modern medicine has definitely taken a stride into the market of people today. Most of us take medicine when were feeling bad, or for a condition that we might have. BOOK #3 PREVIEW Spices have been something that has been around in cooking and culture for many years and have been used in almost every single culture. For...
