Aegypan. Paperback. Condition: New. 24 pages. Dimensions: 9.0in. x 6.0in. x 0.1in.Trlk, the Sybillian, should be thanked for the whole thing, I suppose, though it would be a grudging thank-you Id give him, considering all the trouble he caused. Still. . . . I first saw him on a July morning at the beginning of the vacation schedule, when four of us on the local side were trying to do five peoples work. My first inkling anything was wrong came when I returned from the courthouse beat and stuck a sheet of paper in the typewriter to write the probate court notes. I struck the keys. They wouldnt go all the way down. I opened the cover plate, looked in to see what was wrong. I saw nothing. Hey! I said. I know youre down there. Whats the big idea Trlk squeezed his head up from the levers. Listen, will you get out of there Ive got work to do! He wouldnt, though. Eventually I gave up. So began a strange collaboration, with Trlk perched on my shoulder dictating stories into my ear while I typed them. He had definite ideas about writing and I let him have his way. After all, I didnt know anything about literature. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
