Rowe Publishing, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Piercing black eyes surrounded by a pool of pink, meandering strands of crimson glaring at me with so much hate. I didn't understand how anyone could feel that way for another person. Relative Evil is based on the true events that occurred in the life of the author. A naive young girl raised to believe family could never really hurt one another, but to then be tragically brought to the realization that evil exists and will stop at nothing to destroy those in his way to get what he's after. Her trust in a strong family bond and the goodness of people is shattered. Forced to grow up quickly and take matters into her own hands in order to break the spell her parents were under and keep her family safe.
