VISITATION OF IRELAND. SIX VOLUMES IN ONE. EACH VOLUME SEPARATELY INDEXED

Genealogical Publishing Company. Paperback. Book Condition: New. Paperback. 980 pages. Dimensions: 8.5in. x 5.5in. x 2.3in. The Visitation of Ireland is a collection of Irish pedigrees containing such information as was included in the Heralds Visitations of the 16th and 17th centuries. The pedigrees begin, as was customary in the older Visitations, with the grandparents of the representative of the family and certain notices of all descendants, giving thus, in many cases, a complete record of five or more generations. Each pedigree is worked out with meticulous detail and each is authoritative. Several thousand connections and collateral descendants are cited in the 150 pedigrees contained in this one volume, which must be reckoned the only collection of Irish pedigrees now in print. The high standard of accuracy reflected in the pedigrees is handsomely complemented by profuse illustrations which include portraits, coats-of-arms, autographs, seals, and book-plates. The researcher is thus afforded the satisfaction of comprehensive materials from which to work. The original six-volume work was privately issued in an edition limited to only 250 copies; complete sets are now extremely rare and extremely expensive. This reprint combines the six volumes in one for purposes of economy and convenience. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
