## MODELS OF EXCELLENCE: A CALLING ON YOUR LIFE (PAPERBACK)

On Demand Publishing, LLC-Create Space, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. The value of what you will learn here has been realized by others around the world looking to understand their purpose and how to fulfill it in a way that leaves a legacy that can be shared by others for edification. The experiences shared in this content are absolutely in no way boastful or prideful. Glory to God who has made these experiences possible and come to pass. The glory goes to God. The experiences are shared for edification and illustration. Humankind was not designed to have individuals fighting and surviving on their own. Humanity is designed to have unity and open communication with a level of transparency. The Models of Excellence were developed with wisdom presented in abundance from various people who came across my life. The memoirs of experiences shared here are testimonies to illustrate what God can do in our lives. They serve as a memoir to edify and provide understanding of what can happen in your lives if you let God be God and let Him into your heart and take control. This content is not to be viewed as a prideful boast of success. It is shared to give glory to God who made these experiences happen.
