Red Hot Publishing, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. What do you get when you cross a hockey mom with the grim reaper? Me, Lisa Carron. If being a depressed, frumpy, widowed mother of three wasn't bad enough, I just found out I'm a grim reaper. I know what you're thinking. Wow, that's kind of sexy and full of awesomeness. Hardly. Oh, and my clients? Stupid people. Like I don't get enough of that from the living. Since Alaska is big and angels of death are few, I've been partnered with reaper extraordinaire, Nate Cramer. He's strong, silent, and way too good looking for my recently widowed state. Oh, and he reaps violent criminals, so that should be interesting. Forget the danger and the hours of self-analysis it will take for me to find my reaper mojo. My biggest problem? Hiding it all from my overly attentive family and nosy neighbors. Now that's going to take a miracle.
