

Understanding International Relations

By Brown, Chris / Ainley, Kirsten

Condition: New. Publisher/Verlag: Macmillan Education | The 4th edition of this best-selling text provides a lively introduction to International Relations theory. It has been comprehensively updated throughout and has new chapters on agency, structure and the state in IR and the emerging shape of 21st century international politics. | The fourth edition of this well-established and popular introductory textbook has been updated to cover recent developments in the field of International Relations and world events, whilst still navigating the complexities of the discipline for new students. Brown and Ainley provide systematic coverage of the classical concerns of International Relations theory - power, national interest, foreign policy and war - alongside analysis of the impact of globalization on security, governance and the world economy. The authors actively avoid using a singular theoretical lens to conduct their survey, instead evaluating and using many throughout this book to further illustrate the nuances of the discipline. This is all while maintaining the focus on the discipline's focus on real world events, with case studies ranging from the recent rise of China and Russia to the global economic downturn, to teach students how the discipline can be applied to understanding the central and difficult questions that...
