Thomas Sherlock (1678 18 July 1761) was a British divine who served as a Church of England bishop for 33 years. He is also noted in church history as an important contributor to Christian apologetics. He published against Anthony Collins's deistic *Grounds of the Christian Religion* a volume of sermons entitled *The Use and Interest of Prophecy in the Several Ages of the World* (1725); and in reply to Thomas Woolston's *Discourses on the Miracles* he wrote a volume entitled *The Trial of the Witnesses of the Resurrection of Jesus* (1729), which soon ran through fourteen editions. His *Pastoral Letter* (1750) on the late earthquakes had a circulation of many thousands, and four or five volumes of *Sermons* which he published in his later years (1754-1758) were also at one time highly esteemed. A collected edition of his works, with a memoir, in 5 vols. 8vo, by Thomas Smart Hughes, appeared in 1830. Sherlock's *Trial of the Witnesses* is generally understood by scholars such as Edward Carpenter, Colin Brown and William Lane Craig, to be a work that the Scottish philosopher David Hume probably had read...
