Lilly Taylor is a thirty-seven year old successful entrepreneur. Sexy, beautiful, ambitious, sophisticated and independent, but single. She recently ended a long term relationship and is taking a break from men, or so she thought. Never the one to look for men online, but she never expected to find her dream man, Terrence Bonner, accidentally while surfing the web. She calls him, her cyber alpha male, perfect to the eyes and her libido. After finding out he was fifteen years her junior, Lilly never expected to meet her cyber man in person, but fate steps in. An Unexpected Love, is the story of the trials and tribulations Lilly goes through with an undeniable love with an unexpected man; from ex-loves, medical conditions and personal tragedies to overcome. Along their journey they must help friends and family deal with their problems as well as their own. At every corner, something or someone gets in the way. Is the attraction and love strong enough for Lilly and Terrence to overcome all of their problems or will they just give up and go their separate ways because society says they shouldn't be together. Lilly and Terrence's story starts and ends with a passion between them that is undeniable. Can their love stop the inevitable from happening, so they can have a lasting love. This item ships from La Vergne, TN. Paperback.
