Reviews

The publication is easy in read better to understand. It is writter in basic words and phrases rather than hard to understand. You wont truly feel monotony at anytime of your respective time (that's what catalogues are for about if you question me).

REVOLUTION!: SAYINGS OF VLADIMIR LENIN (PAPERBACK)

The Bodleian Library, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. `Without a revolutionary theory there can be no revolutionary movement. Vladimir Ilyich Lenin, leader of the Bolshevik Revolution and founder of the USSR, was profoundly aware of the power of words. As a zealous orator and prolific writer, he used his words to launch a soaring critique of imperialist society and to theorize the development of the world's first socialist state. Much of his writing was translated into English in order to further the Socialist cause. This book is a compilation of some of Lenin's most famous sayings, taken from speeches, tracts, letters and recorded conversations. They expose his views on topics ranging from democracy to terrorism, from religion to Stalin's untrustworthiness and from education to music. Accompanied by a range of arresting images, including contemporary propaganda posters, photographs, portraits, illustrations and Soviet art, these aphoristic proclamations offer an insight into the atmosphere of pre- and post-Revolutionary Russia and the mind of one of the twentieth century's most defining political figures.
