*The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.*

WestBow Press, 2018. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. In her book, The Minor Prophets: Who Are They? author Bev Scanlon introduces readers to some important people from the Bible. The Minor Prophets all have relevant, important messages from God. Jonah was sent to Nineveh, Assyria, to tell them of the pending destruction of their city because of their sinfulness. While we think of Jonah inside the whale it was not a whale. Jonah's story is really about his disobedience, his pouting, and God's compassionate heart. Nahum was sent back to Nineveh a country of people he didn't know to give them the same message Jonah had delivered a hundred years earlier. It is a story of forgetfulness of right actions and slipping back into disobedience. Obadiah's story is based on a rich history lesson of Esau and Jacob that makes clear the vision he had from God. He was sent to Edom with the same message as Jonah and Nahum delivered to Nineveh the sinfulness and wickedness had to end. The Minor Prophets: Who Are They? show you these prophets are minor only because their books in the Bible are some of the shortest. But their stories and messages are retold in other books of the Bible. God's compassionate heart, forgiveness, and love for His people are major themes of each story. Reading them shows how God's work relates to our everyday lives.
