Proving his courage on the battlefields of Poland and the Soviet Union, and proud of the German army's victories across Europe, he embraces what he thinks is the righteousness of the Third Reich's cause. But his loyalties are soon tested when he crosses paths with his old university friend Trude Bensheim. Forced into unemployment for being Jewish, Trude and her husband start a secret organization to help Jews escape Germany. But when they are betrayed by someone they thought they could trust, their lives hang in the balance. Erik feels responsible for Trude's capture, and he knows he is in a position to help them.
