

Unhairing Hides by Sulphide of Sodium (Classic Reprint) (Hardback)

By Cutler Hall and Borchers

Forgotten Books, 2018. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Unhairing Hides by Sulphide of Sodium The aim Of this pamphlet is not to expatiate on the virtues Of some new, untried, and merely experimental method of unhairing, whose chief merit consists in large claims and great pretensions, but it is to give a more extended notice to tanners here of the advantages to be derived from the use of an agent in unhairing hides, which is well known in the Old World, and which has afforded most satisfactory results to the comparatively limited number Of tanners in this country making use of it. It is unnecessary here to state the disadvantages of the Old lime process of unhairing, the dangers which attend the sweating process, or the causes Of failure of many of the other methods, both secret and non-secret, which have been from time to time advanced as the best means of accomplishing the desired end. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Reviews

This ebook is fantastic. It is actually written in straightforward terms rather than hard to understand. It's been designed in an extremely straightforward way and it is merely soon after I finished reading through this ebook through which in fact modified me, alter the way I really believe.

-- **Justice Wilderman**

Basically no phrases to clarify. It really is written in straightforward phrases rather than hard to understand. You will not sense monotony at any moment of your own time (that's what catalogues are for concerning if you ask me).

-- **Doris Beier**
