HOUDINI'S BOX: THE ART OF ESCAPE (PAPERBACK)

FABER FABER, United Kingdom, 2002. Paperback. Condition: New. Main. Language: English . Brand New Book. In his most captivating book to date, Adam Phillips explores mankind's on-going fascination with ideas of escape. Taking as his starting point the life and works of Harry Houdini - the greatest magician the world has ever seen - he considers why some people might become compulsive escape artists, whereas others appear to find freedom in self-imposed confinement. A rare achievement - as remarkable a piece of work as Houdini ever performed himself. Daily Telegraph.
