Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.I have had this book in my head for fifty years. I never had the nerve to pout it on paper. But, now I am going blind, and wanted to see my book in print. I sent small part of it to Amazon, so I could read it on my Kindle and then I rewrote it and added more characters. the people are are all patterned after my and my spouses ancestors. But I changed Names and embellished their stories a bit. well a lot. I love history especially American history, . This story starts on the fictional island of Debonair situated between Ireland and England. The main characters are Andy Benson and the three loves of his life: Josie, Lydia, and Molly .
