

## My Head-to-Toe Body Book

By Okido

Thames & Hudson Ltd. Hardback. Book Condition: new. BRAND NEW, My Head-to-Toe Body Book, Okido, Original, imaginative and lots of fun, "My Head-to-Toe Body Book" is a look at the body inside and out for young children. The approach is hands-on: this book is all about asking questions and getting answers. How many teeth do you have? What happens to the food you eat? How do you wee? A little girl called Koko asks questions to make children think about the body, while three intrepid explorers go on adventures inside the body to find out what makes the body work. Children investigate each topic by playing and learning the book is packed with things to do on and off the page, including games, recipes and craft activities. The bold illustrations of innovative design studio OKIDO give the book a very contemporary feel and its large format is friendly to children.

*This publication may be worth purchasing. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.*
