Arizona Sketches (Paperback)

By Joseph A Munk

Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Arizona Sketches is a classic nature text by Joseph A. Munk. A stranger on first entering Arizona is impressed with the newness and wildness that surrounds him. Indeed, the change is so great that it seems like going to sleep and waking up in a new world. Everything that he sees is different from the familiar objects of his home, and he is filled with wonder and amazement at the many curious things that are brought to his notice. Judging the country by what is common back east, the average man is disappointed and prejudiced against what he sees; but, estimated on its merits, it is found to be a land of many attractions and great possibilities.
