

NGWA History: A Study of Social and Economic Changes in Igbo Mini-States in Time Perspective (Paperback)

By John Nwachimereze Orij

Peter Lang Publishing Inc, United States, 1998. Paperback. Condition: New. 2nd Revised edition. Language: English . Brand New Book. This history of the Ngwa-Igbo of southeastern Nigeria discusses a variety of themes such as the origins of the Ngwa, their sociopolitical organization, and the organization of local and regional trade networks. The author explores the dominant role the Okonko society and Aro oracular specialists played during the overseas trade, and uses available evidence to question some existing views on the slave trade and legitimate commerce. He also examines colonialism, the roots of the Aba Women s Revolt, and devotes a chapter to analyzing developments since Nigerian independence, ranging from the civil war to an insider s account of events in Aba province during Biafra. The concluding chapter summarizes issues raised in the book, and offers solutions to current social and economic problems facing the Ngwa and other Nigerian peoples.

Reviews

This publication might be worthy of a read through, and superior to other. It normally is not going to charge excessive. Its been written in an remarkably simple way and is particularly just after i finished reading through this book through which in fact transformed me, alter the way i really believe.
