

## Seal Team Bravo: Black Ops - Afghanistan in Flames (Paperback)

By Eric Meyer

Swordworks, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. When insurgents destroy a refinery, the owners, multi-national corporation Afgas, face bankruptcy. CEO Adnan Kovac devises a scheme to bring the dollars flooding back into the country. He needs a war which will plunge the country into chaos and suck in the major world powers. Their reaction is always the same, to send vast sums of foreign aid money. Money he can use to rebuild his refinery, along with the planeloads of troops to protect it. A former Taliban fighter turned mercenary, Akram Khan, will carry out a mass killing at a foreign junior school, trusting that international outrage will do the rest. The plan misfires, and the Taliban treat the murder as a rallying cry for a new jihad. US Navy SEAL Lieutenant Kyle Nolan is on a recon assignment on a helicopter that takes him close to the wrecked refinery. Close enough to hear a call for help from men on the ground. He persuades the pilot to land in the middle of a firefight and rescue a man pinned down by enemy fire. The Coalition has been caught unawares,...
