Scarlet Crowley s life was torn apart the day father was arrested for unspeakable crimes. Now the shock has worn off, but not the horror. It s a safe bet that Scarlet is the only first year at Harkness College who had to sneak past TV news trucks parked on her front lawn just to leave town. But college will be Scarlet s fresh start. Clutching a shiny new student ID - with a newly minted name on it - she leaves it all behind. Even if it means lying to the boy she s falling for. Bridger McCaulley is a varsity hockey star known for being a player both on and off the ice. But a sobering family crisis takes that all away. Protecting his sister means a precarious living arrangement and constant deception. The only bright spot in his week is the few stolen hours he spends with Scarlet. The two form a tentative relationship based on the understanding that some things must always be held back. But when grim developments threaten them both, going it alone just won t work anymore. And if they can t learn to trust one another now, the families who let them down will take everything they ve struggled to keep.
