THE MARKET-PLACE (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The story is a study in the ethics and purposes of money-getting, in the romantic element in modern business. In it finance is presented not as being merely the province of shrewdness, or greediness, or petty personal gratification, but of great projects, of great brain-battles, a field for the exercising of talent, daring, imagination, appealing to the strength of a strong man, filling the same place in men s lives that was once filled by the incentives of war. The novel was among the best selling books in the United States.
