Excerpt from The American Mission in the Sandwich Islands: A Vindication and an Appeal in Relation Such is this Christian lady now amongst us and if her visit to England should be rendered subservient to the advancement of that sacred work which, by God's blessing, has produced this great change in her native land, and should afford encouragement to the honored men who, through evil report and good report; have steadily labored on - some of them from the morning of life to the evening of age - in this holy enterprise, the satisfaction given by the visit of the Queen to our shores will be greatly enhanced.
