Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. The eggshells of some baby birds let in light like a lacey white curtain drawn across your bedroom window. So Toby Peep's world before birth was lit with golden rays when the sun shone through the leaves in his tree. Children will glimpse the world with brand new eyes in Aaron John Rulison's charming children's book, Toby Peep Looks and Sees. Starting from his early days inside his egg, the little bird named Toby Peep has learned to find hidden beauty all around his neighborhood. He marvels at the story of Dreamer Peep, his ancestor, who first believed birds could fly. He is fascinated by mysterious specks that float in the air. He is surprised by a little person covered in mud. All the things Toby Peep discovers help him learn that the closer you look, the more you see! Toby Peep's heartwarming adventures will nurture children's natural curiosity about the richness of the world we live in. And children will learn the power of vision and imagination. With interactive activities at the conclusion of each chapter, Toby Peep Looks and Sees isn't merely a children's book-it's a whole afternoon of fun!.
