Schlegel Press Association. Paperback. Condition: New. 160 pages. Dimensions: 9.0in. x 6.0in. x 0.4in. Once you are able to see the intelligences handwriting, you may see the words of failure inscribed in the same handwriting, telling of a failure they are yet unaware of. In looking at that other man from afar, he found it hard to shake off the feeling of observing his own self from the outside. That other man resembled him way too much. The man was better than him, more experienced, and he looked more convincing, and rather like a slime ball. Everyone could see it. The man succeeded in making everyone believe he was truly him, in person. And the man could prove it. What could eventually happen if the man slipped away Then the only guy remaining would be him. And he would be constrained to be more like his former self. For all those long years, he had plain forgotten what kind of a person he was, underneath. He would have to recollect and become somewhat more life-like. He would hardly be able to make it, really, unless he was dead. But then, would that be a preferable option; something they truly wanted Why do intelligence people become defectors There may be two answers. One is obvious. They become defectors due to a landmark case against some other turncoat. Every agent, while keeping a close watch on the case, usually dissected the defendants mistakes so he thought he would never do anything similar, convinced that he could be smarter, employing a lot more caution The second answer is something else. People come to be turncoats long before they start working for the spy directorate. So, read it all: this is worth knowing. This is the answer from a legend. Listen to it, give it...
