Reviews

This pdf might be really worth a go through, and far better than other. It can be packed with wisdom and knowledge Its been written in an exceedingly straightforward way and is particularly only soon after i finished reading through this pdf by which basically changed me, modify the way in my opinion.

(Earnestine Blanda)

IS THE MORALITY OF JESUS SOUND? (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Is the Morality of Jesus Sound? A system of thought, or a code of morals, is much like a building; A serious crack in one of the walls, or a post that is not secure in its socket, is enough to make the whole building unsafe. When a building is condemned, it is not condemned for the parts that are sound, but for the part or parts that are unsound. To change my illustration, the strength of a chain is in its weakest link. So is the strength of a religion in its most vulnerable parts. By overlooking the weakness and dwelling solely upon the strong points, we could make any religion appear as the best in the world; as a similar bias would prove the most rickety building even perfectly safe. A lawyer, an advocate, or Special pleader, may conceal, or cover up the cracks in the walls of a building, or the defects of an institution. But why should I? My object is not to save the building, but the people who are in it. I am not interested in saving the creed or the religion, but the people who stake their lives on it. I am not trying to earn my fee, I am trying to serve the people. Why should I, then, be expected to spread the mantle of charity over a building that deserves to be condemned, or plead for a religion that blocks the path of advancement? And why, - why should any religion beg for charity? To a cashier of a bank, to a treasurer of a corporation, to an official of the municipality or the state, who should...
