

## 11+ Maths Rapid Tests Book 5: Year 6, Ages 10-11 (Paperback)

By Schofield Sims, Rebecca Brant

SCHOFIELD SIMS LTD, United Kingdom, 2018. Paperback. Condition: New. Language: English . Brand New Book. The Schofield Sims Maths Rapid Tests are short, timed tests designed to build speed and fluency in preparation for the 11+ and other school selection tests. Written by an experienced tutor, the tests cover a wide range of topics, ensuring that children have the skills and knowledge to succeed in any of the major providers tests - including CEM and GL. Each book contains 36 single-page tests on topics including place value; calculation; fractions, decimals and percentages; algebra; measurement; geometry; and statistics. The target times for the tests range from 8 to 12 minutes, making them ideal for regular independent work sessions. Aimed at children aged 10 to 11 years, Maths Rapid Tests Book 5 features a `Progress chart for recording scores and tracking improvement, and a separate pull-out answer booklet with explanations and `Action notes for all tests. A selection of free downloads, including maths puzzles, is also available from the Schofield Sims website.

### Reviews

*This publication will never be straightforward to get going on looking at but really fun to see. This can be for all those who stante that there had not been a worth looking at. You wont really feel monotony at at any moment of your own time (that's what catalogs are for about should you request me).*
