ETUDES SUR LE GRAND DOMAINE CAROLINGIEN (VARIORUM COLLECTED STUDIES) [HARDCOV.

Variorum, UK. Hardcover. Condition: New. First Edition. 320 pages. Available Now. Book Description: The origins of the large estate of Carolingian Europe and the role it played in the evolution of Frankish society and economy are the themes of this volume. The first group of articles focus on documentary evidence, especially the polyptychs and their interpretation. Though there is insufficient material for any true quantitative history, Professor Devroey argues that the evidence points to demographic expansion, coupled with the exploitation of new agricultural methods and crops, and a reliance on the family as the unit of production. Further studies relate these estates to the commercial networks of the area, from a local to an international level. A final concern is to demonstrate that the large estate formed a key component of the Carolingian rulers' aim to establish the 'bonum commune' and a stable society, with assured food supplies, regulated markets and a just system of weights and measures. L'origine du grand domaine de l'Europe carolingienne et le role qu'il jouait dans l'evolution de la societe et de l'economie du monde franc sont les themes de ce volume. Le premier groupe d'articles se concentre sur des documents et plus specialement sur les polyptyques et leur interpretation. Bien qu'il n'y ait pas de materiel suffisant pour une histoire quantitative, le professeur Devroey soutient que tout indique une expansion demographie, a laquelle viennent s'ajouter l'exploitation de nouvelles methodes agricoles et de recoltes, ainsi qu'une dependance vis-a-vis de la famille en tant qu'unite de production. Des etudes supplementaires font le lien entre ces proprietes et les reseaux commerciaux de cette partie du monde, du niveau local au niveau international. L'auteur s'efforce finalement de demontrer que le grand domaine etait un des facteurs a la base de la volonte des dirigeants carolingiens d'instaurer le 'bonum...
