Reviews

This is actually the very best pdf i have read through right up until now. This really is for those who statte there was not a well worth looking at. Your lifestyle period is going to be convert as soon as you total reading this article publication.

(Margaretta Wolf)

MY TEACHER IS AN IDIOM (HARDBACK)

CLARION BOOKS, United States, 2015. Hardback. Condition: New. Language: English . Brand New Book. With a friend like Patrick, who needs enemies? Patrick is a showoff and a prankster, and Richard is his usual target. Resolved not to let Patrick get him in trouble, Richard is sucked in by The Mosquito, a way to eat red Jell-O through a straw, and of course trouble ensues. Complications arise when the new girl from France thinks the boys are seriously injured, and miscommunication is all too easy when idioms in English and in French are taken literally. The shifting alliances, interests, and concerns of second-graders are authentically and humorously depicted in this easy-to-read school story.
