Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Do you love fashion? Then this is the book for you! Pretty dress designs for the fashionista to color! All on mannequin forms so no need for stressing over that skin tone in other fashion coloring books! Bring out the inner designer in you with these unique and beautiful dress designs by artist Collette Renee Fergus . You get to decide how they look, and choose whatever colors you desire. If you re the type of colorist who likes to complete a project in one sitting then this is the book for you, some of the designs have been created to finish in an evening, some a little longer, so no more half finished designs that annoy you and nag you to get completed. Lose yourself in the lines and develop that peace and harmony that adult coloring books can give you. All dresses in this book are hand drawn, they include dresses from the 1800s through to 1920s, 1950s and modern fantasy themed, with some Steampunk thrown in for good measure. There are 28 dress pages along with some bonus pages from Collette s other books. Each intricate design is printed on one side of the pages only so you don t have to worry about your work of art bleeding through and ruining the artwork on the next page. There is a test page and a blotter page that you can remove and add between pages for extra protection while coloring also. Created with love by Collette Renee Fergus, a New Zealand Artist. You can see an array of colored images from this book at the author s own site on this link if you would like to see more...
