

The Debate on the English Revolution (Paperback)

Filesize: 5.92 MB

Reviews

A fresh eBook with a brand new standpoint. It can be rally exciting throug looking at period of time. I am delighted to inform you that this is the greatest book i have read throug during my individual existence and may be he very best publication for ever.
(Era Thompson)

THE DEBATE ON THE ENGLISH REVOLUTION (PAPERBACK)

MANCHESTER UNIVERSITY PRESS, United Kingdom, 2011. Paperback. Condition: New. 3rd edition. Language: English . Brand New Book. The debate on the English Revolution is firmly established as an essential guide to the literature in its field and appears here in a much revised third edition. Three new chapters are included on twentieth-century historians treatments of social complexities, politics, political culture and revisionism, and on the Revolution s unstoppable reverberations. All the other chapters have been amended and recast to take account of recent publications. The book provides a searching re-examination of why the English Revolution remains such a provocatively controversial subject and analyses the different ways in which historians over the last three centuries have tried to explain its causes, course and consequences. Claredon, Hume, Macaulay, Gardiner, Tawney, Hill, and the present-day revisionists are given extended treatment, while discussion of the work of numerous other historians is integrated into a coherent, informative readable survey. -- .
