This has always been the case since the earliest battles and is not likely to change in the future. And yet, even within this irregular system, there are certain rules, especially in past eras such as the American Revolution. First, while spying on behalf of ones country is perfectly respectable, betraying ones nation is treason. Second, honorable men do not involve those too innocent to understand the consequences of their actions in their schemes. Third, no man wearing his own uniform can be considered a spy, for his garments make it clear who he is and preclude deception. All three of these rules played into the story of the machinations and death of Major John Andr. No one who knew Andr personally would ever...
