REWIND: COMING BACK CAN BE FATAL

America Star Books. Paperback. Book Condition: New. Paperback. 184 pages. Dimensions: 8.5in. x 5.5in. x 0.4in. As an author and recent graduate of the University of California Riverside, with a Bachelors degree in Humanities, Arts, and Science, I have dedicated much of my time working on becoming a best-selling author of fiction and non-fiction genres. I am also an aspiring screenplay writer in the motion picture film industry; working on my third screenplay. In this continued episode of Ceiling Folks, residents of New York City grow restless and angry concerning the missing family members of the Construction Worker, John Toliver; the first occupants following a tragic explosion killing an entire group of oil company celebrators on the 3rd floor. With tensions looming, New Yorkers assemble a heated protest in front of the Mayors Office calling for swift justice against the man they believe murdered his family escaping criminal consequences. With his political career hanging in the balance of re-election, the Mayor orders the District Attorney to formally charge John Toliver with kidnapping and murder, even though there is not enough evidence to show cause that John had anything to do with their disappearance. John meets up with an aspiring Black Writer, a fellow convict, who takes on the task of writing about Johns voyage back through time. Johns very survival hangs on a thread of mystery and suspense as he takes you on a journey of life behind bars and returning back to Leonard Street, Manhattan. In this exciting episode good and evil will clash with blood-curdling expectations of turning the next page in this latest story. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
