

Children s Internet Protection ACT (Paperback)

By U S Department of Commerce

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In homes, schools, and libraries across the nation, the Internet has become a valuable and even critical tool for our children s success. Access to the Internet furnishes children with new resources with which to learn, new avenues for expression, and new skills to obtain quality jobs. Our children s access to the Internet, however, can put them in contact with inappropriate and potentially harmful material. Some children inadvertently confront pornography, indecent material, hate sites, and sites promoting violence, while other children actively seek out inappropriate content. Additionally, through participation in chat rooms and other interactive dialogues over the Internet, children can be vulnerable to online predators. Parents and educators have access to a variety of tools that can help protect children from these dangers. In October 2000, Congress passed the Children s Internet Protection Act (CIPA), which requires schools and libraries that receive federal funds for discounted telecommunications, Internet access, or internal connections services to adopt an Internet safety policy and employ technological protections that block or filter certain visual depictions deemed obscene, pornographic, or harmful to minors. Congress...
