

## Europe: The Struggle for Supremacy, 1453 to the Present (Paperback)

By Brendan Simms

Penguin Books Ltd, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book. Brendan Simms's formidable, game-changing history of Europe. In this marvelously ambitious and exciting book, Brendan Simms tells the story of Europe's constantly shifting geopolitics and the peculiar circumstances that have made it both so impossible to dominate, but also so dynamic and ferocious. It is the story of a group of highly competitive and mutually suspicious dynasties, but also of a continent uniquely prone to interference from semi-detached elements, such as Russia, the Ottoman Empire, Britain and (just as centrally to Simms's argument) the United States.
