Schwartz & Wade, 2011. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Starred Review,Publishers Weekly, August 8, 2011: "Forceful and iconic, the Dillons' (The Secret River) woodcut-style paintings use gentle colors and strong lines to telegraph scary sequences, but do not dwell on them.The willingness to turn the dark history of the past into literature takes not just talent but courage. Full-page and border paintings in acrylic and watercolor use strong black lines, almost like woodcut engravings, in deep browns, earth colors and subtle jewel tones against creamy backgrounds.A totally absorbing poetic celebration of loss and redemption." Starred Review,The Bulletin of the Center for Children's Books, November 1, 2011: "McKissack gives her legend-making genuine momentum as well as scope.Stories of the middle passage rarely focus on the pain of those...
