Bolinda Audio, 2014. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. The Bay is a beautiful and peaceful town on the Australian east coast; a melting pot of city escapees, alternative lifestylers, feral dropouts, lost souls, backpackers, and men and women in search of love and a new sense of identity. When Sydney corporate wife Holly Jamieson turns forty-five she shocks her husband by buying an old house in The Bay with plans to transform it into a charming BB. What began as a gesture of independence changes her life. Holly soon discovers that beneath its tranquil surface, the Bay is a whirlpool of passions and conflict. It was once a whaling town, then a sleepy resort that became trendy, and now developers are moving in for the kill. Holly, her family, and an unusual band of new friends are in the battle lines--and not always on the same side.
