## COLLAGEN GELS AND MATRICES FOR BIOMEDICAL APPLICATIONS

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | The obtaining and characterization of collagen-based biomaterials as support for local release | Collagen represents one of the mostly used biomaterials due to its excellent biocompatibility and biodegradability properties. The obtaining of collagen based biomaterials as support for local release of a desired amount of drugs has as motivation their use in the treatment of various skin affections (sores, burns, infections produced by various bacteria) and of soft tissues (periodontal disease, dental...

### Reviews

*It in one of my personal favorite publication. It is actually rally fascinating through reading through period of time. Its been printed in an extremely basic way in fact it is just after i finished reading through this ebook by which basically transformed me, change the way in my opinion.*

-- **David Weber**

*This is basically the best ebook we have study right up until now. it absolutely was writtern very properly and useful. You may like how the blogger write this ebook.*

-- **Cecil Zemplak DVM**

*This is actually the best book i actually have go through right up until now. It generally will not price an excessive amount of. I discovered this book from my dad and i suggested this book to understand.*

-- **Norma Carroll**
