Reviews

*It is fantastic and great. It is written in easy words and phrases instead of confusing. I am just delighted to explain how this is actually the best book I have ever read through during my individual life and might be the finest publication for ever.

DUPUIS, 2017. Paperback. Condition: NEUF. On ne présente plus Gaston, le plus célèbre gaffeur de toute l'histoire de la bande dessinée ! En 2017, cet anti héros débordant de malice et de créativité, créé par Franquin, a fêté ses soixante ans. Soixante ans d'émotions, de gags et d'inventions décalées auxquels la BPI du Centre Pompidou à Paris consacra une exposition durant plusieurs mois. À leur tour, de nombreux auteurs contemporains ont tenu à rendre hommage à cette irrésistible figure de l'humour et à son fameux pull-over vert en se la réappropriant et en lui donnant de nouveau vie à travers leurs dessins. Après l'univers de Spirou et de la BD franco-belge dans "La Galerie des illustres", c'est donc une "Galerie des gaffes" qui nous est offerte grâce à ce superbe album. Au fil des 48 planches, dont certaines sont inédites et d'autres ont été publiées dans le Journal Spirou depuis le début de l'année, c'est tout l'amour à l'égard de Gaston et de la bande dessinée que l'on retrouve avec un incomparable plaisir. - Nombre de page(s) : 64 - Poids : 433g - Genre : Bandes dessinées Jeunesse TOUS PUBLICS.
