

Augustine Latine

By Wallace S. Jungers

AUTHORHOUSE, United States, 2002. Paperback. Book Condition: New. 204 x 128 mm. Language: English . Brand New Book ***** Print on Demand *****.This new series was designed for the software developer who -- whether to prepare for an interview or a new project -- needs to come up to speed quickly on a new language or technology. CodeNotes presents the most succinct, accurate, and speedy way to ramp up. Most programming books give equal weight to all areas of a given technology. CodeNotes, by contrast, drills down to the core aspects, focusing on the key elements needed to quickly understand -- and immediately implement -- a technology. CodeNotes was conceived and written by a team of seasoned, published software developers. The series offers a fresh approach, providing easy-to-follow labs that use real-life case studies, exercises, and quot; skeleton codequot; to help demonstrate the key concepts. It is also the first series to offer, at its launch, a distinct and highly effective electronic component, which includes an e-book edition and access to a Web-based developer community where CodeNotes readers can communicate with both the authors and other developers and take free on-line tests to gauge their understanding. This Codenotes edition will...
