## ANATHEM

HarperCollins Publishers Inc. Paperback / softback. Condition: new. BRAND NEW, Anathem, Neal Stephenson, For ten years Fraa Erasmus, a young avout, has lived in a cloistered sanctuary for mathematicians, scientists, and philosophers, protected from the corrupting influences of the outside world. But before the week is out, both the existence he abandoned and the one he embraced will stand poised on the brink of cataclysmic change--and Erasmus will become a major player in a drama that will determine the future of his world, as he follows his destiny to the most inhospitable corners of the planet . . . and beyond. Anathem is the latest miraculous invention by the New York Times bestselling author of Cryptonomicon and The Baroque Cycle--a work of astonishing scope, intelligence, and imagination.
