## A succinct description of that elaborate and matchless pile of art, called, the microcosm with a short account of the solar system interspersed with . . The eleventh edition, with additions.

By Edward Davies

Gale ECCO, Print Editions. Paperback. Condition: New. This item is printed on demand. 40 pages. Dimensions: 9.7in. x 7.4in. x 0.1in. The 18th century was a wealth of knowledge, exploration and rapidly growing technology and expanding record-keeping made possible by advances in the printing press. In its determination to preserve the century of revolution, Gale initiated a revolution of its own: digitization of epic proportions to preserve these invaluable works in the largest archive of its kind. Now for the first time these high-quality digital copies of original 18th century manuscripts are available in print, making them highly accessible to libraries, undergraduate students, and independent scholars. Medical theory and practice of the 1700s developed rapidly, as is evidenced by the extensive collection, which includes descriptions of diseases, their conditions, and treatments. Books on science and technology, agriculture, military technology, natural philosophy, even cookbooks, are all contained here. The below data was compiled from various identification fields in the bibliographic record of this title. This data is provided as an additional tool in helping to insure edition identification: British Library T0048860 on a machine constructed by Henry Bridges of Waltham Abbey, displayed by Edward Davies. London : printed for the proprietor, Mr. Edward Davis,...

### Reviews

*Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. It's been written in a remarkably easy way in fact it is only right after I finished reading this book in which basically changed me, modify the way I really believe.*

-- Prof. Vanessa Smitham V

*This ebook is indeed gripping and fascinating. It is definitely simplistic but excitement from the 50% of your book. You won't sense monotony at any time of your own time (that's what catalogs are for relating to should you check with me).*

-- Mr. David Stanton Jr.
