Dancing in the Doghouse: Sharing God s Presence in Everyday Places is one woman s story of hope and encouragement despite struggle, suffering and ordinary life challenges. Alisa s life hasn t been easy. Like most, her past is filled with ordinary (yet considerable) challenges -common things not easily overcome. Looking back, she sees struggle and suffering, but she also finds much hope mingled with it. Alisa can see the hope because she has kept an account of it: on papers with a pencil, upon canvases with a paintbrush, using torn papers, pastels, glitter and ink. Reflecting on this account, Alisa discovers that someone has been with her through it all: an ever-present, personal and loving God. Dancing in the Doghouse is Alisa s inspirational story of hope. She shares it for the chance that others will see its hope, know it and share it too. Dancing in the Doghouse shares the power of God through words and inspirational art. This spiritual memoir is a fully illustrated spiritual journey that includes 51 testimony-driven illustrations created by the author. The illustrations are black and white. There is a full color version. The Kindle version is full color as well. Both are available on Amazon. Dancing in the Doghouse is a Spiritual Autobiography: a non-fiction genre that explores spiritual insights, discoveries and questions using personal narrative. It was written and illustrated to encourage and to inspire readers to share their own inspirational message. This spiritual journey is a testimony of hope if you need some. Wherever you find yourself on...
