Createspace, United States, 2013. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.These early years are the most productive time to connect, communicate and create a smart and kind kid. Infant development experts (and I am one) believe that the first years of a child s life are prime for learning and grasping concepts that will enhance the rest of their lives. You don t need classical music, fancy flash card or expensive toys. You and your child need YOU. Talk, sing, read together daily. Laugh, giggle and cuddle daily. It is this interaction with the important loving adults in the life of a child that matters most. Sometimes it is hard to think of fun things to talk, sing and read about when you are exhausted from being up all night with a fussy baby. That is one of the reasons, I have created these small booklets to remind you of simple and effective methods to connect with your baby. Early childhood education is a foundation for a love of learning. Most of the activities are common sense and easy to do. However, in my career as a parent educator, I have found that common sense in not that common. Most of us need reminders. Many parents were not well parented and so lack the confidence and don t trust their intuition on working with their baby. You will find many tips and techniques that will enhance your connection and will soon seem second nature to you. Sometimes just a tweak to the way you express yourself when correcting a misbehavior, can turn a punishment or shame into a step of acceptance and learning experience. It isn t changing everything, it is simply adding a new dimension of modeling...
