

Autism Conspiracy Theory (Paperback)

Filesize: 9.58 MB

Reviews

Complete guideline! Its such a excellent read. This really is for all who statte there had not been a worth studying. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Timothy Lynch)

AUTISM CONSPIRACY THEORY (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Travis blows the whistle on the insurance industry s plot to cover up effective treatments that help people with autism. Travis explores why insurance companies are doing everything in their power to not pay for applied behavior analysis and social skills coaching for children and adults on the autism spectrum. Travis shares how corporate greed has gotten in the way of helping people with autism in this enlightening book. Travis has fought his insurance company for years to get them to cover social skills coaching and applied behavior analysis so that he can learn the basic social and life skills he needs to be happy and successful in life. Travis shares how he has been made fun of and bullied by his insurance company for wanting to experience trying social skills coaching to learn social skills in order to live with autism to the fullest. Travis talks about the hidden conspiracy theory and the greed of the insurance industry that is keeping your loved ones with autism from getting the help they truly need. In this book Travis will provide the reader with useful information and tips to fight your insurance company for better autism related services and treatments. Travis exploits the hidden conspiracy of corporate greed by leading insurance companies in the United States of America. Included in this book is a bonus section on how to live with autism during the holiday season. Travis provides tips on helping your loved one with autism enjoy the holiday season and everything it has to offer in this very informative book. This is great reading for parents and professionals who work with people on the autism spectrum and deal with...
