This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. Iran s nuclear aspirations increasingly dominate its relations with the United States and Europe. China remains one of Iran s strongest allies on the Security Council, and also its most likely supplier of technology and assistance, built on decades of close economic and military relations. Iran is enjoying strong new influence in the Middle East and Asia following record oil profits and Shi i victories in Iraqi parliamentary elections. Like Iran, China fought for decades to increase its self-reliance and geopolitical influence after painful experiences under European colonialism, which spurred nationalist revolutions. With China and Iran: Ancient Partners in a Post-Imperial World, John Garver breaks new ground on the relationship between the People s Republic of China and the Islamic Republic of Iran. Grounding his survey in the twin concepts of civilization and power, Garver explores the relationship between these two ancient and proud peoples, each of which consider the other a peer and a partner in their mutual determination to build a post-Western-dominated...
