

Death in Second-Century Christian Thought

By Jeremiah Mutie

Pickwick Publications, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Death in Second-Century Christian Thought explores how the meaning of death was conceptualized in this crucial period of the history of the church. Through an exploration of some key metaphors and other figures of speech that the early church used to talk about this interesting but difficult topic, the author argues that the early church selected, modified, and utilized existing views on the subject of death in order to offer a distinctively Christian view of death based on what they believed the word of God taught on the subject, particularly in light of the ongoing story of Jesus following his death-his burial and resurrection. In short, the book shows how Christians interacted with the views of death in late antiquity, coming up with their own distinctive view of death. Mutie argues that the way early Christians treated the bodies of deceased believers is evidence of their distinctly Christian view of the afterlife. He shows how the apostolic teaching and the culture impacted and informed the apologists theological understanding and practice. Although no longer living, the dead saints...
