Urban Pioneer: Interiors Inspired by Industrial Design (Hardback)

By Sara Emslie

Ryland, Peters Small Ltd, United Kingdom, 2017. Hardback. Condition: New. Language: English . Brand New Book. Urban living is soaring in popularity as we flock to cities to pursue jobs, easy commutes and other amenities. New pressures on housing mean that pioneering homeowners are converting ex-industrial, non-residential spaces into innovative homes. The conversion of such buildings into residential spaces first emerged in the 1960s and `70s. A decline in manufacturing in city centres meant that many warehouses and factories became vacant, attracting the first wave of urban pioneers - artists and creatives seeking cheap rents and large interiors to use as studio spaces. Since then, industrial areas in many cities have become sought-after residential districts and urban regeneration has gone from strength to strength. Nowadays the trend shows no sign of waning, with a second generation of urban pioneers cleverly converting former lofts, warehouses, schools, factories, offices and retail spaces into highly desirable homes full of personality and soul. In Urban Pioneer, Sara Emslie investigates the practic for transforming non-residential spaces into homes, the key elements of the look - from exposed brickwork to copper piping and metal roof trusses - and the related rise in the popularity of industrial...
