An exceptional ebook along with the typeface applied was intriguing to read. It is definitely simplistic but unexpected situations within the fifty percent of the publication. You are going to like just how the writer publish this pdf.

FIRE ROAD

Dream Horse Press. Paperback. Condition: New. 80 pages. Dimensions: 8.3in. x 5.3in. x 0.4in. Spinoza is rubbing my glasses again, leaving the middle range blurred for a reason. Reading this sojourner's book the boundaries of my own world dissolved and another universe was revealed. -Tam Neville The poems of Barbara Carlson follow in the now-quiet-venerable tradition of surrealism. They are poems where the world of dream and of the world of our quotidian lives come and coexist. But Carlson is never interested in the...
